**Top tip: it is important your story is in the right order otherwise your reader won't understand it.**

### Beginning

- Choose your style (scary, romantic, mystery)
- Describe the setting
- Introduce your characters
- What is the problem to be solved?

### Middle

- Develop the plot - how are your characters involved?

### End

- What is the resolution to the problem?
- What happened to your characters

*You might like to think of a twist or a surprise ending!*
